

Spring Clean-up!

During the school spring break week, we will be coming to each area in Peace River to help the tenants do some spring clean up in the community. This will be a community event. There will be games and activities after, with prizes and draws for the kids! Watch for a flyer that will be delivered to your door with more information. Keep an eye out in the newsletter for things in your community this summer

Community safety is one of our primary concerns in Family Housing. We work very closely with the RCMP and CFSA. We want to encourage all residents that if they have any questions or concerns to contact us, the RCMP, or CFSA. We all work together to keep our communities safe and enjoyable.

Reminders:

Easter April 20th

Spring Break April 18- 27th

April Rent is due Tuesday April 1st

North Peace Housing Foundation has a strict **NO PET** policy. This also applies to your guests who are visiting. Having a pet can be considered a breach of your lease.

We would like to remind our tenants that it is a breach of your lease to have people living with you. If they are not on the lease they should not be staying more than 2 weeks.

Don't forget that with Annual Income Review time coming up. You will need to bring in your tax information. If your information is not in on time, your rent will go up to the market rate. It is strongly encouraged that you have your taxes done in time to provide that information

North Peace Housing Foundation

Earth Day!!

Earth day is April 22nd. North Peace Housing wants to remind tenants to be conscious of their energy consumption where they can. It can be difficult to be aware of your consumption when you do not receive a monthly bill. Simple things like shutting off your computer or television when you are not using it can save a lot of power.

Also if you have any leaky or dripping taps or toilets please call us and let us know about it so we can get it taken care of. A dripping tap or running toilet can lead to an extremely high water bill.
