Some History of the Solstice

The Solstice literally means “the sun stands still”. The summer solstice marks the first day of summer and it is the day with the greatest number of daylight hours. Peace Country’s longest day of the year is June 21st officially at 10:51 MST. Many communities host parties, Longest Day of the Year, Land of the Midnight Sun, Mid Summers Eve, and the parties are sometimes, a Day-Long Party, Bed Races, Pajama Parties, music, games, contest, parades and more.

Bus Trips for the Lodge’s

*"Walk a little slower, Daddy,"
Said a little child so small.
"I'm following in your footsteps
and I don't want to fall.
Sometimes your steps are very fast,
sometimes they're hard to see.
So walk a little slower,
Daddy, for you are leading me.
Someday when I'm all grown up, you're
what I want to be.
Then I will have a little child who'll
want to follow me.
And I will want to lead just right and
know that I was true.
So walk a little slower, Daddy,
for I must follow you."*
